\$20 Gets Your Name on the Van before March 31

Time is running out to have your name (or the name of someone you love) decal onto the TOUR VAN. **March 31** is the last day to submit your name into us to get it decal on the van for a **\$20 donation** before tour departure (classroom names are \$100 minimum donation and corporate logos are \$1000 minimum donation).

We will take your name (or the name of someone you love) 11,000 miles with us on the tour! Act quickly because after March 31, the minimum donation will increase to \$50.

You can donate to our non-profit society online via Paypal by visiting <http://www.runforoneplanet.com/donate.aspx>. All donations over \$100 will receive a promotion receipt.

Throughout the tour, supporters will have the option of donating to our '08/'09 tour operating costs and/or to the Run for One Planet Foundation.

Upon return from our tour, all funds donated to the **Run for One Planet Foundation** will be used as seed money to launch subsequent Run for One Planet Marathons to serve as a Legacy of Action in some of the cities and towns we originally ran through. Our '08/'09 North America Tour will be the prototype by which all succeeding Run for One Planet Marathons will be fashioned.
